Subject: Consumer Product Safety Improvement Act Compliance Program

Dear Customers,

J. America Wholesale Blanks takes steps to ensure products manufactured (up to and including J America Brand, Spyder, and Nautica) by and for our company comply with The Consumer Product Safety Improvement Act of 2008 (“CPSIA”). Our CPSIA program includes testing for:

- 16 CFR 1610 – Flammability of Clothing Textiles

Furthermore, we have all of our active vendors certify that they do not use any materials that violate:

- CPSIA – Section 101, Lead Content and Lead in Substrates
- 16 CFR 1303 – Lead in Paint and Surface Coatings

A General Conformity Certificate (“GCC”) will be issued, upon request for the Flammability (16 CFR 1610) to you upon request, for general wearing apparel. A document with all of our restricted substances is also available by request.

Best Regards,

Mark Moilanen
